Naples, Sept. 14. Four young Turks, who were here in Slavery, having expreſſed a Deſire to abjure the Mahometan Religion, and to embrace Chriſtianity, they were accordingly publickly baptized on Tueſday laſt with great Solemnity in one of our Churches named the Conception, in the Preſence of a prodigious Number of Perſons who came on Purpoſe to ſee the Ceremony. Several rich Abbies, and other Religious Communities, having contributed very largely towards the Building of the magnificent Hoſpital that is erecting in this City, that Work goes on with great Expedition.

Petersbourg, Sept. 16. Since the Return of her Imperial Majeſty and the Great Duke and Great Dutcheſs from Peterſhoff, this City begins to fill very faſt with Nobility and Gentry from their reſpective Country Seats; and they have begun to go on with all publick Diverſions. Major Obreſkoy, Miniſter from this Court to that of the Ottoman Empire, has acquainted her Imperial Majeſty by an Expreſs, that, ſoon after his Arrival at Conſtantinople, he was introduced by the Grand Vizier to a private Audience of the Grand Seignior, in which his Highneſs had given him the ſtrongeſt Aſſurances of his inviolable Reſolution to maintain the good Harmony that at preſent ſubſiſts between the two Empires; to which Purpoſe he would immediately ſend Orders to all the Baſhaws or Governors of the reſpective Provinces bordering upon Ruſſia, to conduct themſelves in ſuch a Manner as not to give the leaſt Uneaſineſs or Cauſe of Complaint to any of her Imperial Majeſty's Subjects.

Cologne, Oct. 4. The Baron de Burmania, Envoy Extraordinary from the States-General of the Uuited Provinces to their Imperal Majeſties, arrived here on Thurſday laſt, and on the Saturday following continued his Journey for Vienna. 'Tis ſaid he takes his Route by Munich, in order to execute a private Commiſſion with the Elector of Bavaria.
